

ROOTS OF SUCCESS

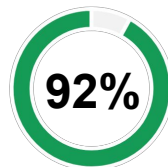

A FEDERALLY
REGISTERED JOB
TRAINING PROGRAM

Roots of Success (RoS) is a federally registered Pre-Apprenticeship program that prepares individuals for 70+ jobs and 100+ career pathways in the water, waste, transportation, energy, building, food & open space sectors.

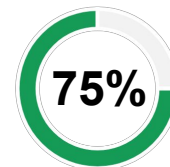

In partnership with 700+ carceral systems and community-based organizations, we have trained almost 30,000 youth and adults; 13,000 went through our program while incarcerated. A study of RoS graduates showed that more than 70% secured employment within 3 months.

WHO WE SERVE

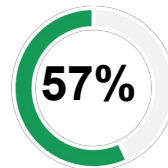

We train and empower the most vulnerable youth and adults, including those most adversely impacted by environmental problems.
